GUEST SPEAKER(s)

Chief John Ingrao, Hoodland Fire and Rescue

Chief Ingrao would like to speak to the community about a funding proposal that is very important to all citizens served by the HFD. Recently the Hoodland Fire District Board of Directors unanimously voted to pursue a Local Option Levy for added Advanced Life Support Staffing. Chief Ingrao is reaching out to local service groups, organizations and CPO's and will hold Towne Hall meetings to discuss this very important levy proposal and the initiative that will be on the May Ballot. Please come with your questions for the Chief so you will be better informed.

Rangers Bill Westbrook and Jeremy Goers, Mt. Hood National Forest

Rangers Westbrook and Goers, along with Chief Ingrao will be discussing the possibility of the Rhododendron area becoming a FIREWISE® community. Wildfires like the ones that recently destroyed whole communities in California are a distinct possibility in our area. The discussion will focus on what it means to be a FIREWISE® community and the advantages the program offers.
