Rhody Rising Committee Application Form

In accordance with the motion made and carried at the RCPO meeting on November 19, 2016, the RCPO Board will be forming a Committee to **“help with, and direct the process of Rhododendron redevelopment”**. During this meeting, Steve Graeper, RCPO President, asked that anyone interested in being on the committee reach out and let him know. Numerous requests were received. It was determined that an application process should be developed to ensure the broadest possible demographic is represented by the Committee.

As we all know, success of these committees is a direct result of commitment on the part of those selected to represent the community. By completing this application, you are confirming your commitment to:

- ✓ Serving a term of one year (12 months from date of selection)
- ✓ Attending regular (TBD) Committee meetings (not to exceed 2 hours in length)
- ✓ Providing feedback to the RCPO Board and Committee regarding expectations, concerns and recommendations from the greater community
- ✓ Use your knowledge, skills and abilities to further the needs of the community

If you are prepared to make this commitment to your community, please complete the form below and return it to:
