Committee Reports: Boards, Standing and Special

There was nothing to report from the Grievance Committee

Land Use Committee: Don Mench, Chair, reported that the Hunchback land trade is moving forward. Don recommends we support Hoodland Fire department's recommendations.

Review of land use applications

There were no new land use applications

Unfinished business

Relton Lane Application is pending decision from judge on whether to hear case.

We discussed the county's Forest Management Plan and last month's presentation by Gary Barth and Dan Green. Clackamas county is proposing changes to forest management plan

Gary Barth wrote to clarify a statement from the August meeting. The clarification is: "What I intended to convey was that the current BCC had directed staff to evaluate our forest practices to ensure we were employing best practices in sustainable forest management and that we continue to look at the categorization of our timberlands so that they reflect the desires of the community and the guidance of the current BCC. We are in the process of updating our Forest Management Plan to reflect that direction from our BCC."

New Business – There was no new business

Announcements

Mt Hood Green Scene still exists and is looking for participants. Attend Recycling event in April.

The Meeting was adjourned at 8:20 pm

Respectfully submitted

Janine Bertram, Secretary
