

Mt. Hood Corridor CPO
P.O. Box 632, Welches, OR 97067

Minutes - May 9, 2013 Meeting
Hoodland Fire District, Welches, OR

Dave Fulton, Acting Chair, called the meeting to order at 4:00 pm.

Correspondence: Recent correspondence was reviewed and discussed but no action was taken.

Treasurers Report: Beginning balance is \$0.00 and ending balance is \$0.00. A motion to pay for the continuation of the mailbox rental at the Welches Post Office was approved. Dave Fulton said he would pay \$22.00 from his personal funds and request reimbursement from the County.

Applications:

The Massey application for a temporary second residence (which our CPO recommended in February 2013) was approved by the County.

An application requiring zoning interpretation, for the operation of a ferret rescue program on residential farm in Oregon City, was sent to all CPOs for possible comment. The attendees tabled any recommendation, but allowed Dave Fulton to conduct further research and, if warranted, submit comments subject to approval at the next meeting.

Old Business: The cell tower issues discussed at the previous meeting appear to have been resolved and the construction of the cell tower by ATT should begin shortly with the tower operational sometime in July.

Attendees requested that the officers seek to bring in a speaker for the next meeting. Several citizens suggested we contact Bill Westbrook, USFS, to see if was available to speak.

Meeting was adjourned at 4:30 pm.

Respectfully submitted, Dave Fulton
