Re: Approval of application for Villages at Mt Hood Board of Directors

Date: April 2, 2009

The Villages at Mt Hood is holding their third annual Board of Directors election at a Town Hall meeting scheduled for May 23, 2009. There are four candidates for three positions.

Directors Shirley Dueber and Patricia Sharp are running for re-election. As in the past their applications are not attached, but are available at your request.

Attached are applications for Doug Saldivar and George Wilson. Mr. Saldivar has been involved in sustainability work and served on the Sustainability Task Force and retired from VASCOR, an international logistics services provider. He has a long standing interest in sustainability and recycling. Mr. Wilson is retired.

Both Mr. Saldivar and Mr. Wilson are residents of the community and meet eligibility requirements.

Staff recommends approval of the candidates.

Respectfully submitted,

Christine Roth
