Village Directors must live or own property or a business in the village area, be willing to volunteer time to work on projects, help represent the area and fulfill responsibilities as described in the bylaws. The Board of County Commissioners will review the list of candidates in advance of the town hall to ensure candidates meet the residency, property or business ownership requirements.

Directors will be chosen at the May 21, 2011 Town Hall meeting.

Describe why you would like to serve on the Board of Directors and any other relevant information. Also describe any community activities or projects you are involved in or would like to be involved in. The first 150 words will be printed in the voting information at the town hall meeting. Attach additional pages as necessary.

It is truly an opportunity to give back to a community that has given me so much. I would serve on the board because I want input to our future; I want to be active and involved. These are exciting a times for our community, representing the voice of our community empowers all of us to make a difference. To see this community develop, grow, and have positive impact makes serving on the board worth the while.

I believe that our biggest challenges and opportunities are one in the same...OUR VOICE. To our community, this Board must work towards a collective voice. To our community, we must strive to be the voice they trust. To the press and legislators, we must become the voice they hear.
