

VILLAGES AT MT HOOD
APPLICATION FOR VILLAGE BOARD OF DIRECTORS

Applications should be sent to: Christine Roth, 2051 Kaen Road, Oregon City, Or, 97045
Christinerot@co.clackamas.or.us phone: 503-742-5920 or fax 503-655-8898

Residents in the Villages at Mt Hood are electing members to the Board of Directors. The village is advisory to the Board of County Commissioners. The boundary consists of the Mt Hood and Rhododendron Community Planning Organizations.

Village Directors must live or own property or a business in the village area, be willing to volunteer time to work on projects, help represent the area and fulfill responsibilities as described in the bylaws. The Board of County Commissioners will review the list of candidates in advance of the town hall to ensure candidates meet the residency, property or business ownership requirements.

The Director will be elected by citizen vote at the next official Town Hall and Board of Directors meeting. Check with Christine Roth christinerot@clackamas.or.us for application dates.

Describe why you would like to serve on the Board of Directors and any other relevant information. Also describe any community activities or projects you are involved in or would like to be involved in. The first 150 words will be printed in the voting information at the town hall meeting. Attach additional pages as necessary.

I would like to see the Board address the future of the Villages and begin to define what the needs will be. This will put the Board in the position of Pro active leader rather than reactionary follower. I also have some team building experience which seems to be needed at this point in the Board Development.

As Director of a Social Services agency and several programs, I gained experience in budget management, program development, staff mediation, supervision and gained valuable leadership skills.

I believe these experiences would be ^{useful} ~~helpful~~ in helping the Board find a meaningful and productive place in the community representation.

I love this community and want to foster its development through service.
