Now is time for this community to look to the future. Times have changed and what has worked in the past very likely will not work in the future. The village Board needs to continue to be pro active on ensuring public safety, adequate and safe water, and that the development of our community embraces our historical and cultural heritage.

The Board of County Commissioners are predominantly from the incorporated western half of the county. This means the need a Villages at Mt Hood Board that works together and can advocate the community's needs as a strong voice and in a manner that garnishes our Commissioner's respect.
