

TOWN HALL MEETING

Thursday, Sept 23, 7pm-9pm

At the Mt Hood Lions Club,

24730 E. Woodsey Way in Welches

The agenda will consist of one item with allowance for questions and comments:

Should the Villages Board resend to the county commissioners a letter dated August 4, 2009 regarding the Wy'East Visitor Information Center.

NOTE: Because of the Request For Proposal recently issued for by the County for Visitor Information Services, The Villages Board cannot support one Village business over another. Therefore if it is decided to resend this letter, it should be seen as the board and the community reminding the County Commissioners of the contribution and importance of the unfunded services provided by Wy'East during the last 2 years.

This letter can be viewed on our web site:

<http://www.thevillagesatmthood.com/> under "Other Documents" document #983 or contact Doug Saldivar at plazatrail@gmail.com.

Community members present at the meeting will vote to recommend that the Villages Board resends or does not resend this letter. Voting will be open from 7-8:30pm.

Only Villages residents will be eligible to vote- ID will be required.
