The Board of Directors of the Villages currently has three openings. The village is advisory to the Board of County Commissioners. The boundary consists of the Mt Hood and Rhododendron Community Planning Organizations.

Village Directors must live or own property or a business in the village area, be willing to volunteer time to work on projects, help represent the area and fulfill responsibilities as described in the bylaws. The Board of County Commissioners will review the list of candidates in advance of the town hall to ensure candidates meet the residency, property or business ownership requirements.

The Villages Board because I am a great listener. If this board is truly the "voice of the community," then I would be of excellent service. As a mother of two, I would personally like to see more amenities for Hoodland area youth. I believe that the Villages Board serves as a voice for the community and I would like the opportunity to serve in this capacity.
